

INTERVIEW WITH MRS LEALMAN

How long have you been a governor?

I have been a governor for 9 months and I really enjoy it although it is a challenge sometimes.

What do you do as a day job?

I work at St Hilda's; I'm a Teaching Assistant helping the children in Nursery Class 1 and 2. I really enjoy my job! When I am not at school I look after my own children.

What do like about both schools?

Well, I like Hovingham a lot because there is lots of room for storing resources and equipment and I especially love the brilliant orial window space. I also like St. Hilda's because I work there we are like a big family! I love being part of both schools as I went to a small village school when I was a child.

Is there much pressure in being a governor?

Yes as we make lots of decisions about different things. We want to get it right as we all want the best for all the children in both schools.

What is your hobby?

- Cooking
- Working on my parent's farm, lambing time is my favourite time of year.
- And, most of all, being a governor

I enjoy doing cooking because it is full of surprises but my all-time favourite is spending time with my family and dog.
