Academic Resilience parent / carer questionnaire September 2019

We are continuing to work at developing pupil academic resilience. Academic resilience means students achieving good educational outcomes despite adversity.

We are currently consulting with pupils and staff and value your opinions too. Please complete and return the survey below by **Friday 21st September**. For each question, please circle the answer that best describes your feelings and do feel free to add your own text below each question if you wish.

If you'd like to discuss this survey further with Mr Pynn please do.
