

Thursday 7th January

Nursery - Phonics

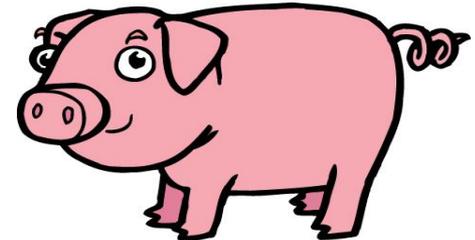

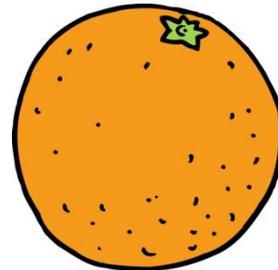

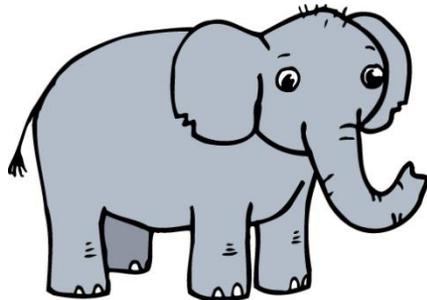

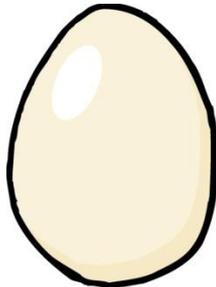

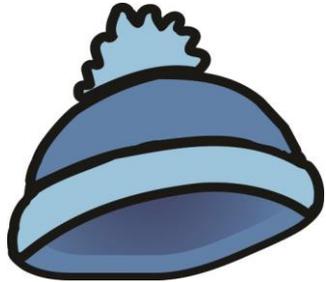

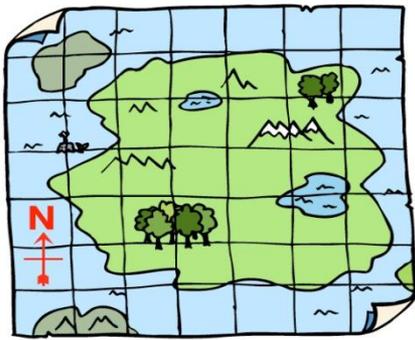

Can you find objects that make different sounds?

- Maybe something that rustles like a crisp packet.
- Something that squeaks like a bath toy.
- A set of keys that makes a jingle sound.

Reception - Phonics

We have already learned that the alphabet is made up of vowel sounds (a, e, i, o and u) and consonants (b, c, d, f, g, h, j, k, l, m, n, p, q, r, s, t, v, w, x, y and z).

Take a look at the pictures below. Can you guess what the word for each picture is? Does it start with a vowel sound or a consonant sound? Can you choose 3 of my words and write them down.

Literacy

Have you ever had a sleepover or pyjama party?

What happened?

I need your help!

I would like to have a pyjama party but I don't know what I need!

Can you draw me pictures of the things I might need and label them?

Reception - Maths

Take a look at my numbers. Which numbers have I missed?

3	4		6	
---	---	--	---	--

5	4			1
---	---	--	--	---

Can you draw the number 11 Numberblock? How many blocks do I need? If I took one block away from 11, how many would I have left? If I added another block to 11, how many blocks would I have?

Nursery

We really want to get to know you, could you draw a picture of your family and ask an adult to add labels.

Reception

Create a picture of the Numberblock eleven. You can create your own!

I look forward to see your creation.
