J'avais des fleurs pour couronner ta tête

I had flowers to crown your head

Et un bouquet pour mettre sur ton cœur.

And a bouquet to put on your heart.

Each box is connected to a letter above it by a colored line: the first box to the purple 'P', the second to the red 'A', the third to the blue 'A', and the fourth to the green 'P'. The lines are: a blue line from the first box to the purple 'P', a red line from the second box to the red 'A', an orange line from the third box to the blue 'A', and a green line from the fourth box to the green 'P'.
