

### Science

This term Science will cover Electricity followed by Light and Sound. As usual, Seasonal Changes will continue to be covered.

### History

In History we will be focusing on the past, and the main event will be The Great Fire of London.

### Geography

In Geography, we will be looking at the topic around 'Sensation Safari' which will include National Parks and Wildlife, focusing on Kenya. In the second half of the term we will move onto The Seaside, past and present.

### Music

Music we will be learning about all the musical elements.

### PE

PE will continue to be on a Thursday afternoon. This term we will be covering team games.

### Literacy

As we are enjoying it so much, we will be continuing our animal topic for the first half of the summer term. We will be looking at performing poetry. After the half-term our topic will be 'The Seaside', with a focus on writing reports.

### Mathematics

In Maths this term we will be covering statistics and time. We will then re-cap number, addition and subtraction before moving on to do some problem solving and investigation work.

### Computing

This term we will begin by looking at Spreadsheets and then learning how to code.

### Art/DT

In Art we are learning about sculptors, including Marc Quinn and Barbara Hepworth. In DT we are learning to make dips, linking to healthy eating.

### RE

We will be focusing on the Topic of Questions that Puzzle us'.

### PSHE

PSHE will continue to be taught by Mrs Lealman on a Thursday afternoon. She will be covering Getting on in the wider world.

# Animals And The Seaside

## Summer 2019

Dear Class 1 Parents/carers,

We hope you all had a lovely Easter break and we can't wait to hear what everyone has been doing. We are all really looking forward to the summer term and the sunny weather.

Just as a reminder, the door opens at 8:45am for children to come straight into their classrooms. Register is taken at 9am ready for lessons to begin and children will be marked down as 'late' if they arrive to school after 9am.

Miss Kirk, Mrs. Lealman and Miss Dunning.

### PE and Clothing

For P.E. all children require a pair of trainers or plimssoles, a white top and a black pair of shorts. Jogging bottoms and a jumper would be useful for outdoor PE in colder weather.

However, as the weather gets warmer children may wish to bring a sun hat.

If any spare school clothing is borrowed, could we please ask that it is returned to school a.s.a.p.

If ALL items of clothing could please have names clearly marked in them, it really helps with returning lost items to the correct person.

### Parent and child activity ideas to do at home:

Sharing books with Nursery aged children is a fantastic way to get them ready for reading and it opens up conversations about things they already know and introduces them to things they haven't yet experienced.

For older children, regular reading outside of school is vital in helping them build confidence and fluency in reading. Reading the books your child brings home supports the learning they are doing in school as they will be practicing the sounds they have learnt during their daily phonics sessions.

Children will continue to have one piece of homework to complete every week, which will consolidate the week's learning. This will be a short Maths or English task. It will be set on a Friday and collected in on the following Thursday. Please do not hesitate to ask if you have any questions.
