Location: Class 1 St Hilda's C of E Primary School

Dear Parents,

We are a mission to ensure that every child is a reader. We would like to tell you how we intend to achieve this and how you can help. Please join us for a phonics workshop to hear about our new phonics scheme, phonics assessment, what we are doing to help your child read and how you as a parent can help your child at home.

This workshop is for parents Nursery to Year 2 pupils, but parents of older pupils are more than welcome to attend.

We look forward to seeing you there.
