

Hovingham and St Hilda's Federation Governing Body Vacancy

'Where everyone grows'

Our vision, 'Where everyone grows' is rooted in 'I have come that they may have life, and have it to the full' (John 10:10). We believe that education must equip people of all ages with the skills to maximise their engagement with the world around them and education must develop academic, spiritual, emotional and personal growth.

The Federation of Hovingham and St. Hilda's is recruiting new governors. If you would like the opportunity to play an important role in further strengthening our Federation, and helping it to deliver the very best outcomes for our pupils, we would love to hear from you. We are a Federation 'where everyone grows' and becoming a governor offers a wealth of opportunity to learn new skills whilst helping others to do the same.

A school governor is a voluntary role that makes a great difference to your local community. It is a strategic role that is involved with the vision and aims of the school rather than operational management which is the concern of the Head. It involves reading papers pertaining to national, local and school level policy, attending Governing Body meetings and visiting the schools in our Federation. We have a number of vacancies and are looking to appoint people with a diverse range of skills. We would like to hear from people who want contribute to their local community and also people with background in finance, business or industry.

If you would like to know more about joining our friendly and committed team of governors, please send an expression of interest to our clerk, Helen Lowdell at Helen.Lowdell@northyorks.gov.uk

We look forward to welcoming you into our Federation.
