Message from Mr Pynn

Across the schools there have been some real wow moments this week where friendship, respect, responsibility and particularly perseverance have been in frequent evidence. Wonderful!

Confirmation of arrangements for parents evening, which will take place over the last two weeks of this half term have been sent out today. Please return the reply slip promptly. As ever, please don't wait until a parents evening to raise a query or concern or indeed to say something is going well. We are schools with an open-door policy who want to work in close partnership with all our families.

Parent, Carer and Visitor Behaviour Policy Consultation

We believe that our school is a friendly and welcoming place where our children and staff can feel safe. Unfortunately, experience in schools around the County is that instances of aggressive and inappropriate behaviour by parents and carers are increasing. Due to this unwelcome behaviour, for the wellbeing of our children and staff, we are considering the adoption of a Parent, Carer and Visitor Behaviour Policy so that everyone is clear what is and what is not acceptable behaviour, and what action the school will take to protect its children and staff if the Policy is not observed.

The proposed policy will be sent via ScholarPack. Thank you for your co-operation.

Before we make any further decision we are consulting you as a parent or carer of a child at our school and we would be very pleased to hear from you with your comments for or against adoption of the Policy. Please share any comments by contacting Mr Pynn headteacher@hshafed.uk prior to 20th October 2020.

TikTok

As schools we are aware of some pupils using TikTok. We want to make parents aware that this social media platform that lets you create, share and discover 60 second videos has an age recommendation of 13+. Further information to support parents can be found at <https://www.net-aware.org.uk/networks/tiktok>

Pro-Ride Cycling

Acorn Class had a fantastic morning with Pro-Ride. The children each had a balance bike and a helmet and enjoyed riding around the track in the playground. They played lots of different games and challenged themselves to go under and around all sorts of obstacles on the track.

Nursery Places

To aid the school with its forward planning, it is really helpful to have pupils registered for a place in Nursery as early as possible. This helps us to budget more accurately and ensure we are properly resourced for our pupils. If you or any friends or family are intending to use St Hilda's Nursery in the next few years, please ask them to contact the school office and register their details.
