Message from Mr Pynn

Thank you to all who have replied to our recent letter about Parents Evening. If you haven't yet, it is not too late! Please contact the school office if you have mislaid the letter or need any assistance confirming an appointment. We see this initial parents evening as being a really important part of our partnership with you.

Across the two schools we are keen to further improve pupil presentation and handwriting so that work is easy to decipher by both the writer and any reader too. We are really grateful for your support reinforcing high expectations with this at home. If you do have queries or comments regarding this, do let us know.

To support mental health and wellbeing within the school day, be it in or out of lesson times, there are frequent opportunities for all pupils to talk about their feelings and anything that may be concerning them at this uncertain time.

Harvest Celebrations

Can you design a face on a fruit or vegetable? We are holding a digital competition to design and make a fruit or vegetable character and then send a photograph of your character, with a name to admin@st-hildascofe.n-yorks.sch.uk and we will share as part of our online Harvest celebrations. Here are some ideas to get you thinking...

Easy Fundraising

Nursery Places

To aid the school with its forward planning, it is really helpful to have pupils registered for a place in Nursery as early as possible. This helps us to budget more accurately and ensure we are properly resourced for our pupils. If you or any friends or family are intending to use St Hilda's Nursery in the next few years, please ask them to contact the school office and register their details.
