Spring Term 2020

17th January 2020

Early Years – Harry

Acorn Class – Georgina

Oak Class – Tom

Message from Mr Pynn

One of the many strengths of our schools is the way that pupils of all ages work together so well. This is evident in and out the classroom, including at after school clubs. “Where everyone grows” is our vision and it is rewarding to see our values of friendship, respect, responsibility and perseverance being lived out.

Bikes and Scooters

For safety purposes, please can we ask that you remind your child to dismount their bike/scooter when entering the school gates. They must walk with their bike/scooter to the parking bay, giving consideration to other school users. Likewise, at the end of the school day, pupils must walk with their bike/scooter out of the school gates and again be aware of other school users. Thank you for your cooperation.

After School - Lego Club

Lego Club fee is now available to pay on ParentPay. Thank you.

World Thinking Day

We have had a message from 1st Helmsley Beavers regarding World Thinking Day on 22nd February. It is a day celebrated annually by Scout and Guide organisations when they think about their ‘sisters’ and ‘brothers’ in all the countries of the world. We would like to invite anyone who attends any of the organisations to wear their uniforms on **Monday 24th February** as the celebration date falls within the half term holiday.

Flu Vaccination – Message from the Childhood Immunisation Team

The flu season runs until March and, if your child has not yet had the vaccination, families do still have the opportunity to be protected by visiting a drop-in clinic in January:

- Pickering Medical Practice: Thursday 30th January 15:00-17:00
