Care for God's Creation – A 40-day challenge

The Church of England have produced the above publication which, for each day of Lent, offers a Bible reading, a short reflection and a suggested action to help live in greater harmony with God, neighbourhood and nature. From this we have taken an action a week which we'd really like our school community to engage with, if you can. We'd love to hear about what you've done so do share with us, including photos if you wish.

- Week 4 - With over half of Lent gone, spring is on the way in the UK. Today may be a good time to turn the heating controls down a degree or even more.
