22nd January 2021

Dear Parents,

Once again it has been good to be in touch with so many families over the course of last week.

We're delighted at the way everyone is either working in school or getting to grips with home learning. We have continued making brief phone calls this week to each family. Staff have really valued this chance to see if and how we can support further. As previously mentioned, if the call comes at time that is not convenient, we will completely understand. If this is the case, please confirm a convenient time to receive another call or if you prefer, for you to call us.

It was lovely to have over 40 pupils be part of our live worship sessions last week. We are looking forward to our Celebration Assemblies sessions via Teams later today. We shared protocols for participation last week. Our aim remains to host such sessions on different days and times over coming weeks. Whilst it will be wonderful if your child can join, we reiterate that we know this may not be possible for everyone to be part of each session.

Again, we'd like to remind you that our school websites contain lots of helpful information about E-Safety <https://www.hovingham.n-yorks.sch.uk/school-info/e-safety/> or <https://st-hildascofe.n-yorks.sch.uk/school-info/e-safety/>. Our Internet and E-Safety Policy can be found in the Policies section of our website. We've been asked to remind families to take appropriate precautionary measures if their child is learning remotely using their own/family-owned equipment and technology, including ensuring that their internet connection is secure. If you have any concerns or queries, please contact me.

Our Coronavirus web pages continue to be regularly updated and provide lots of useful information all in one place. This includes details of our home
