

Calling All Parents

We need your help!

- Early Reading and Phonics Parent Workshop -
Monday 4th November 2019
3:30pm-4:30pm

Location - Class 1 St Hilda's C of E Primary School

Dear Parents,

We are on a mission to ensure every child is a reader and able to meet or exceed national expectations. We would like to tell you how we intend to achieve this and how you can help us reach that goal.

Please join us for a parent/child interactive workshop, as we discuss our new phonics scheme, phonics assessment and screening, what we are doing to help your child read and how you as a parent can help us, to help your child, with reading at home. This workshop is for parents of pupils from Nursery to Year 2, but parents of older pupils will be more than welcome.

We look forward to seeing you there.

Mrs Dodds-Aston Ms Dunning and Miss Kirk
