Summer Term 2021

18th June 2021

Acorn Class – Andreas

Oak Class – Imogen

Message from Mr Pynn

It has been wonderful to share in real 'wow' moments in our schools this week where pupils have shown real pride in their achievements. This has been a mix of acquiring new skills and applying existing ones. Well done!

School Photographer

The School Photographer will be with us on **Tuesday morning next week, 22nd June**. As usual, proofs will be sent home for parents to place orders if you wish, however you are under no obligation to do so.

Parent Governor Election

Just a reminder that the closing date for nominations for our vacant Parent Governor post is **Wednesday next week, 23rd June**. If you need a copy of any of the information that has been sent out, please contact the school office.

Olympic Athlete Visit

On **Friday 25th June** Olympian James Kirton will be visiting both schools. James represented Great Britain for over six years, reaching Olympic, World and European level. His defining moment in swimming came in 2008 as he defied injuries to swim his way to his childhood dream of becoming an Olympian. James will lead the children in some fitness activities and talk to pupils about his time as a swimmer and answer some questions.

Green Gang

I am so pleased to be able to run Green Gang again after such a long time! It was fantastic so see so many pupils join the club and that all 10 places have now been filled. We started this week with leaf identification and were pleased to find so many different species of trees in our school grounds. I was so proud of how the children interacted with this activity and the way they helped one another. All the activities we are undertaking this term are working towards our platinum Green Tree School Award. I am also excited to report that some of the bird boxes we made many years ago in Green Gang are once again occupied! Mrs Lealman

Sports Day

You will be aware that we previously indicated that our Federation Sports Day was due to take place on Tuesday 29th June. This plan was made prior to the extension of the COVID restrictions. Having taken advice, we will not now be able to hold our Sports Day in the way we originally intended. As a result, Sports Day will not take place on 29th June. We wanted to give you as much notice as possible, conscious that often parental attendance involves submitting leave requests from work.

We do currently plan to hold a Sporting Event in each school prior to the end of term. Plans and dates for this are currently being worked on. We are awaiting further guidance as to whether parents can attend. We will update you just as soon as we can. Thank you all for your support and understanding.
