## Autumn Term 2021

8<sup>th</sup> October 2021

### Message from Mr Pynn

### What's been **GROWING** on this week?

We welcomed Fire Service Community Safety Officers Georgie and Nick into our schools this week. They spoke about their role in the Fire Service and taught the children what to do in the event of a fire: Get out! Call the Fire Brigade out! Stay out! Their talk was followed by a question-and-answer session with some great questions from pupils.

If you don't have smoke detectors in your house, North Yorkshire Fire Service will travel out and install smoke detectors for free. Please visit the [North Yorkshire Fire Service website](http://North Yorkshire Fire Service website) to book a visit.

The Fire Service are also underlined the importance of children knowing their home addresses in case of an emergency and noted that this would be a good thing for parents to practise with their children regularly.

Thank you to Georgie and Nick for sharing with us.

Thank you for your support. Enjoy the weekend.

### Parents' Evening

We look forward welcoming you to our Parents' Evening on **Monday 11<sup>th</sup> October** and showing you how your child has grown in school this term!

### Green Gang

There will be **NO** Green Gang on Monday due to Parents' Evening taking place.

### Harvest

We will be holding our Harvest Service in school next Thursday afternoon using resources provided by the Trussell Trust. They support a nationwide network of food banks and together they provide emergency food and support to people locked in poverty, and campaign for change to end the need for food banks in the UK. As we continue to follow the latest guidance, unfortunately we are unable to invite parents to our service this year but if you want to make a donation, please visit [The Trussell Trust](http://The Trussell Trust) to find out more.

## Mrs Gray

Next Thursday we say a sad farewell to Mrs Gray who is moving on to pastures new. She has been an integral part of the school team for the last two years and will be missed by everyone, but we wish her well in her new role. Thank you for everything you have done.

## KS2 Map & Compass Skills Trip

Thank you to all those who have contributed towards the cost of the trip to Danby. We are asking for a voluntary contribution of £5 per child (to be paid via [ParentPay](#)) please. No child will be excluded from the trip if a contribution is not made, but we may have to reconsider the trip if insufficient contributions are received.

## Coronavirus (COVID-19) Symptoms in Children (NHS)

As coughs and colds become more commonplace can we please remind you of the need for testing if pupils have symptoms, however mild, in order to limit the spread of Covid-19. Please see the following guidance from the NHS around Coronavirus symptoms in children and when a PCR test (one sent to a lab) is required.
