Dear Parents,

We're delighted that wraparound care has begun and initial feedback from staff, parents and pupils attending has been positive.

However, initial bookings are not mirroring the level of interest indicated earlier in the year when we surveyed parents and asked what level of out of school care was needed. We're therefore keen to find out why, in order that we tailor our offer to the needs of our school community. If you are not currently using the service, we'd be really grateful if you would take a minute to complete a brief questionnaire using the following. Please [click here](#) to complete the form.

If you are already using the clubs and have any comments or suggestions you'd like to pass on then please do get in touch. We want to make this additional provision beneficial for the whole school community, so your input is vital.

Yours sincerely
