Spring Term 2022

7th January 2022

Message from Mr Pynn

What's been GROWING on this week?

Happy New Year! We trust that you managed to find some peace during the festive season. It has also been good to share about what everyone did over the Christmas break. We would all like to thank you for your good wishes, cards and gifts at the end of the term.

We have also been very pleased to see how pupils have settled back into their learning this week with such enthusiasm.

Christmas Books

A BIG thank you to Mrs Newton who very kindly raised the money for the Christmas books that Santa left for the children!

Bad Weather

As we head into the New Year this is often the time of snow and poor weather which can impact on the opening of school. We will make decisions as early as possible, but please bear in mind that staff travel from various locations and the conditions at home can be different to the conditions at school. As a reminder if this is the case we will email and text parents to advise of our plans. This is the quickest and easiest way for us to communicate with you. A notice will also be put on the front of the school website and announcements will be made on BBC Radio York. This may mean a full closure for the day, or it may mean a delayed opening depending on how many staff are able to get safely to and from school. If the weather deteriorates during the school day and you are concerned about your ability to collect your children safely then please contact the school office.

Mrs Menzer

We say goodbye to Mrs Menzer today who has worked across the school for the last year. We will all miss her calm, cheerful and friendly approach to school life and wish her well in her new adventures.

Warm Clothes

Please can you ensure that your child/ren is sent to school with **a named coat, hat and gloves**. The weather is getting colder now, and we do like to be outside as much as possible during the day.

Twitter

Don't forget you can now follow both schools on Twitter @HildaAmpleforth and @HovinghamPri.
