Spring Term 2022

18th March 2022

Message from Mr Pynn

What's been **GROWING** on this week?

It was great to work with Rugged Outdoors again earlier this week. We thoroughly enjoyed our Forest School activities on the Hovingham Hall Estate woodland. From bread making to willow planting, not forgetting bug hunts and learning to use firesteels it really was an action packed session! It was lovely to see pupils working together and sharing their knowledge. Well done everyone. Thank you to staff from 'The Rugged Outdoors' for leading the session and to Mrs Broadwith for accompanying us.

Sports Hall Athletics

Year 3 & 4 really enjoyed the athletics events at Ryedale on Friday. It was great to see so many schools competing and there was a fantastic atmosphere as each school cheered on their own. Our children really did us proud, demonstrating great listening skills and determination to succeed. We're very proud of all of the children and were thrilled to be announced as the winners of the girls 6 Lap Paarlauf. We will let you know next week how Year 5 & 6 got on at Ryedale School's inter-school Sports Hall Athletics session.

Planetarium Visit

We are very excited to welcome Aurora Planetarium to our Schools on **Thursday 24th March**. The Planetarium is a large inflatable dome which will be erected in Hovingham village hall for the morning and pupils from St Hilda's will travel across to experience it. Inside the dome the children will take part in an immersive theatre experience which explains the solar system and space beyond our small planet. **Can all pupils please be in school by 8:50am** so that we can make a prompt departure to make the most of the morning.

Bewerley Park

Just a reminder to those Year 4 & 5 pupils who expressed an interest in the Bewerley Park visit in October, to either confirm their place by paying a deposit or to let us know that you're no longer interested. You should have had a letter emailed to you this week, so please contact the office if you haven't received it or have any questions.

Cycling Morning

On **Monday 28th March** our Reception, Year 1 & Year 2 pupils will be taking part in a cycling morning at St Hilda's. We'll be welcoming back Ex Team GB cyclist, Phil Bateman from Pro Ride Cycling who will be taking the children through a range of activities on balance bikes and pedal bikes to learn new skills and improve their confidence. All equipment will be provided, but please make sure children have a waterproof coat with them as we'll be outside on the St Hilda's playground. Hovingham pupils will be back at school for lunchtime.

Internet Safety

If you have any concerns or would like some guidance, please speak with Mr Pynn who is the Designated Safeguarding Lead. [National Online Safety](#) has produced a useful range of free guides for adults on internet safety. Please [click here](#) if you would like to donate to this worthy cause. Together we can help people living incredibly tough lives both in the UK and across the world. Thank you.

Morrisons – It's Good to Grow

Thank you so much to everyone who took the trouble to donate their Morrisons 'It's Good to Grow' tokens to our school. The wheelbarrow, pots, seeds and compost, will help in the development of our outdoor gardening area.

Hovingham Market Cafe

On **Saturday 2nd April** the schools have been given the opportunity to run the refreshments at Hovingham's monthly Market, in Hovingham Village Hall. This is a great fundraising opportunity for the schools, to raise some additional money which will go directly towards subsidising trips and visits off site for pupils from both schools. We are therefore looking for volunteers who can spare just two hours during the day to help run the café between 8:00am and 2:00pm. If you are able to help, please contact Johanna Senior - johanna.senior@hshafed.co.uk

We are also looking for donations of cakes to sell on the day please. If you are able to provide something, please either bring it into school on Friday or take it directly to the market on Saturday morning. All your help will be greatly appreciated.

Dog Fouling

We would just like to remind all residents and visitors, to Ampleforth, to please pick up after their dog. There have been a few incidents of owners failing to pick up, which is a fineable offence and a serious health hazard. Thank you to the responsible owners that do.

Social Media

You can now follow our schools on Facebook and Instagram. Just search for "Hovingham and St Hilda's" then "Like" and "Follow" our pages to get updates and news. Don't forget we're also on Twitter @HovinghamPri and @HildaAmpleforth
