PSHE in Acorn Class

As part of our healthy living unit we looked at how much sugar children should have each day and compared that to how much sugar the average child actually has-3 times the recommended amount! Look at those sugar towers! We had fun tasting different fruit and vegetables to help us decide how to make healthy swaps to make sure we don't have too much sugar. You can find more information here: [Healthier food swaps - Food facts - Healthier Families - NHS \(www.nhs.uk\)](https://www.nhs.uk)

New playground

This week we have had our new play ground markings which really brighten everything up. There are lots of exciting things to do, What Time is it MR Wolf is a firm favourite amongst the children. We also have Let's Dance, where you have to copy a leader and make an dance routine up, Duck Duck Goose which is also a popular one with all the years. Let's hope the summer is good to us and we can make the most of the nice weather so the children can play all these exciting games.

Collective Worship at Saint Hilda's

As part of our vision "Where Everyone Grows" a group of pupils were entrusted with planning and delivering our whole school Collective Worship session on Monday. There was an important message about perseverance within the story of refugees and everyone enjoyed the choice of entry music: Rick Astley "Never Gonna Give You Up"! Not to be outdone Mrs Spaven followed this on Tuesday with a Collective Worship which featured standing on eggs!

Goodbye and Good Luck!

We will soon be saying goodbye to Miss Chilton. She has been an integral part of our school community over many years. Firstly as a pupil at Hovingham Primary School and then for the last two years as a member of our team at St Hilda's. Miss Chilton has contributed hugely to the life of our school in a variety of roles; serving lunches, supporting learning in class and providing after school sessions. We will miss her for so many reasons but we are delighted that she is moving on to a new opportunity within education.

Amen.
